

THE ADVENT SCHOOL 29th April 2026
CIRCULAR – DISCONTINUATION OF EXTRA ACTIVITY CLASSES IN MAY 2026
(CLASSES 3–9)

Dear Parents,
Greetings!

This is to inform all that as per the directions of the district administration, Haridwar, school timings have been reduced due to the prevailing weather conditions.

Further, in view of the upcoming Pre Mid-Term Assessments, it has been decided that all extra activities will be discontinued from 2nd May 2026 onwards until further notice. This step is being taken to ensure that students get adequate time and focus for their academic preparation within the revised schedule.

Regular academic classes will continue as per the adjusted school timings.

We seek your cooperation in ensuring that students utilize this time effectively for revision and preparation.

Regards,

Principal
