

**THE ADVENT SCHOOL**  
**PREPONEMENT OF SUMMER BREAK**

23<sup>rd</sup> May 2026

Dear Parents,  
Greetings!

1. In view of the ongoing **extreme hot weather conditions** and keeping in mind the health and well-being of our students, the school has decided to **prepone the Summer Vacation**. The Summer Vacation will now **commence from Monday, 25<sup>th</sup> May 2026**, instead of the previously scheduled date.
2. Students are advised to **stay indoors** during peak heat hours, remain well-hydrated, and take proper care of their health.
3. The **Summer Break Holiday Homework and related guidelines** will be shared through the respective class groups shortly.

***We seek your cooperation in ensuring that children utilize this break productively while staying safe and healthy.***

Regards,
