

THE ADVENT SCHOOL
REOPENING OF SCHOOL FOR CLASSES VII TO X

17th June 2026

Dear Parents,
Greetings!

1. Keeping in view the academic importance of the senior classes and the need for regular and uninterrupted learning, the school has decided to reopen for the students of **Classes VII to X** from **Wednesday, 24 June 2026** as per school timings will be **7:45 am to 12:30 pm up to 30th June 2026**.
2. As this is a crucial stage in the academic journey of our students, regular classroom instruction, revision, practice, and teacher guidance are essential for their overall progress and achievement. Furthermore, **Class X holds special significance this year as it is the first Board Examination batch of The Advent School**. The school is committed to working rigorously with students through focused academic support, regular assessments, and systematic preparation to help them develop strong learning habits and excel in their Board Examinations.
3. **Parents are requested to ensure** that their wards:
 - Report to school on time and in proper school uniform.
 - Carry all required books, notebooks, and stationery as per the timetable.
 - Maintain regular attendance from the first day of reopening.
 - Follow all school rules and discipline guidelines.
4. Students are also expected to complete their **Summer Break Holiday Homework** as per the instructions and guidelines provided by their respective teachers. The completed homework must be submitted to the concerned subject teachers **within three days of rejoining school**.

We seek your wholehearted cooperation in ensuring that students return to school well-prepared, disciplined, and committed to achieving academic excellence.

We look forward to welcoming our students back to school and embarking on a productive and successful academic term together.

Regards,

Principal
