REGARDING TRIP TO DEHRADUN ZOO (CLASSES 3 to 5)

19th Sept. 2025

**Dear Parents,
Greetings!**

1. In view of the recent floods and landslides around the Dehradun region and the current unfavourable weather conditions, the proposed educational trip to the Dehradun Zoo for students of Grades 3–5 stands cancelled for now.
2. The safety of our students is our foremost priority. We will closely monitor the situation and reschedule the trip once the weather improves and the area is deemed safe. Fresh details and revised dates will be shared well in advance.
3. We appreciate your understanding and cooperation.

Regards,
